Cautionary Note Regarding Forward Looking Statements

Certain information presented in this press release may contain "forward-looking statements" within the meaning of the federal securities laws. Forward looking statements include statements concerning the company's plans, objectives, goals, strategies, future events, future revenues or performance, capital expenditures, financing needs, plans or intentions, and other information that is not historical information. In some cases, forward looking statements can be identified by terminology such as "believes," "expects," "estimates," "may," "will," "should," "anticipates" or "intends," or the negative of such terms or other comparable terminology, or by discussions of strategy. The company may also make additional forward looking statements from time to time. All such subsequent forward-looking statements, whether written or oral, by the company or on its behalf, are also expressly qualified by these cautionary statements. All forward-looking statements, including without

limitation, the company's examination of historical operating trends and estimates of future earnings, are based upon the company's current expectations and various assumptions. The company's expectations, beliefs and projections are expressed in good faith and it believes there is a reasonable basis for them, but there can be no assurance that the company's expectations, beliefs and projections will result or be achieved. All forward looking statements apply only as of the date made. The company undertakes no obligation to publicly update or revise forward looking statements which may be made to reflect events or circumstances after the date made or to reflect the occurrence of unanticipated events.

Certain information contained herein has been supplied by third parties. While the company believes such sources are reliable, the company cannot guarantee the accuracy of any such information and does not represent that such information is accurate or complete.
