Gaia Reports Second Quarter 2019 Results

Revenues Increase 32%, Loss From Operations Improves 30% on Disciplined Expense Management

BOULDER, Colo., Aug. 05, 2019 (GLOBE NEWSWIRE) -- Gaia, Inc. (NASDAQ: GAIA), a conscious media and community company, reported financial results for the second quarter ended June 30, 2019.

Second Quarter 2019 vs. Same Year-Ago Quarter

- 32% increase in revenues driven by 26% subscriber growth
- Subscriber count increased to 582,200 from 463,200 on June 30, 2018
- Loss from operations reduced 30% to \$4.5 million

“We continue to make meaningful progress on improving the ratio of subscriber life time value to cost per acquisition, achieving our target 3.5:1 ratio a quarter early,” said Jirka Rysavy, Gaia’s CEO. “We successfully completed our soft launch of the ‘Gaia Sphere’ at our campus in June, and we will begin actively marketing our \$299 Live Access subscription with our second event in August.”

Paul Tarell, Gaia’s CFO, said: “The second quarter of 2019 showed disciplined expense management on our planned path to EBITDA profitability by the end of September, which is anticipated to be at a subscriber level of 590,000-600,000.”

Second Quarter 2019 Financial Results

Revenues in the second quarter increased 32% to \$13.2 million from \$10.0 million in the year-ago quarter. This was primarily due to a 26% increase in paying subscribers since June 30, 2018.

Gross profit in the second quarter increased 31% to \$11.4 million compared to \$8.7 million in the year-ago quarter. Gross margin declined slightly to 86.4% versus 87.1% in the year-ago quarter primarily due to increased content amortization for shows that were released in the second quarter of 2019.

Total operating expenses in the second quarter increased to \$15.7 million compared to \$15.3 million in the year-ago quarter. Customer acquisition costs as a percentage of revenue declined to 57% in the second quarter of 2019 from 85% in the year-ago quarter. As a percentage of revenue, operating expenses declined to 119% in the second quarter from 153% in the year ago quarter.

Net loss in the second quarter was \$4.5 million, or \$(0.25) per share, compared to a net loss of \$6.4 million, or \$(0.36) per share, in the year-ago quarter.

As of June 30, 2019, Gaia had \$17.5 million in cash.

Conference Call

Gaia is hosting a conference call today, August 5, 2019, beginning at 4:30 p.m. ET (2:30 p.m. MT). The conference call dial-in numbers are (888) 394-8218 (or (323) 701-0225 for international callers), passcode 8370568. Questions will be reserved for analysts and investors. If you have any difficulty connecting with the conference call, please contact Gateway Investor Relations at (949) 574-3860. Following the completion of today's conference call, a replay will be available until August 19, 2019 by dialing (844) 512-2921 (or (412) 317-6671 for international callers), passcode 8370568.

About Gaia

Gaia is a global video streaming service and community that provides curated conscious media in four primary channels—Seeking Truth, Transformation, Alternative Healing and Yoga—to its subscribers in 185 countries with approximately 8,000 titles. Over 90% of its library is exclusive to Gaia, and approximately 80% of the views are generated by content produced or owned by Gaia. For more information about Gaia, visit www.gaia.com.

Forward-Looking Statements

This press release includes forward-looking statements relating to matters that are not historical facts. Forward-looking statements may be identified by the use of words such as “expect,” “believe,” “will,” or comparable terminology or by discussions of strategy. While Gaia believes its assumptions and expectations underlying forward-looking statements are reasonable, there can be no assurance that actual results will not be materially different. Risks and uncertainties that could cause materially different results include, among others, operating losses, general economic conditions, competition, changing consumer preferences, acquisitions, new initiatives undertaken by us, costs of acquiring new subscribers, subscriber retention rates, and other risks and uncertainties included in Gaia's filings with the Securities and Exchange Commission. Gaia assumes no duty to update any forward-looking statements.
