LiveDeal Inc. Reports Fiscal 2014 Financial Results, Largest Revenue Increase in Company History

LAS VEGAS, Dec. 29, 2014 /PRNewswire/ - LiveDeal Inc. (NASDAQ:LIVE) ("LiveDeal" or the "Company"), a publicly traded company that operates livedeal.com, a geo-location based mobile marketing platform that enables restaurants to publish "real-time" and "instant offers" to nearby consumers, today announces year-end financial results from its fiscal year, which ended September 30, 2014.

Highlights include:

- Net revenues increased by 209 percent compared to the same time period in 2013, to approximately \$7.2 M. This represents the largest annual revenue increase in the Company's history.
- Increase of gross profit of 42 percent, compared to the same time period the previous year
- Strong cash position of \$8.1 million, compared to cash of approximately \$761,000 as of September 30, 2013
- Total stockholder equity increased more than 300 percent compared to stockholder equity the same period the previous year.
- Total assets increased by more than \$15 million since the fiscal year ended September 2013
- The company made three strategic acquisitions, including Modern Everyday.
- Management forecasts continued significant growth in revenue

"In 2014 LiveDeal began to make its mark on the industry, demonstrating that both partners and customers truly want their deals 'real time,' and we anticipate continued growth in 2015, including expanding beyond our restaurant base, and evolving into a fully-fledged e-commerce site," said Jon Isaac, CEO of LiveDeal Inc. "We look forward to the coming fiscal year, when we expect continued significant growth in our revenue, and strategically execute on our business plans to ensure that we are leaders in the industry while providing optimum shareholder value."
