The #C4CT Concussion Awareness Summit is being convened on July 31, 2014 to explore the potential link between TBI and Alzheimer’s disease. A diverse working group of clinicians, medical researchers, policy makers, international diplomats, athletes, celebrities, and philanthropic organizations will be assembled to raise awareness, advance clinical research, and develop public policy in order to address this major unmet medical need and public health issue. The #C4CT Summit will webcast live and on-demand and will be available on the UN Web TV website at: http://webtv.un.org.

BSI and AMBS would like to thank Dominion Capital, Cavendish Global, and One Mind for their continued support and unparalleled contributions which make this event possible.
