Arotech's President to Present Today at B. Riley Investor Conference

ANN ARBOR, Michigan, May 20, 2013 /PRNewswire/ --

Arotech Corporation (Nasdaq GM: ARTX) announced today that Steven Esses, President of Arotech, will be presenting the Company later today at the 14th Annual B. Riley & Co. Investor Conference, which is being held in Loews Santa Monica, CA.

Mr. Esses will be presenting to investors at 2:20pm Pacific Time (5:20pm EDT). Following the close of the market today, the updated corporate presentation will be published on the Company's website at <http://www.arotech.com>, as well as with the SEC.

Investors interested in attending the presentation should contact a representative of B. Riley. In addition, management will be meeting with investors on a US West Coast roadshow in the coming weeks and investors interested in meeting with management should contact Arotech's investor relations team.

About Arotech Corporation

Arotech Corporation is a leading provider of quality defense and security products for the military, law enforcement and homeland security markets, including multimedia interactive simulators/trainers and advanced zinc-air and lithium batteries and chargers. Arotech operates two major business divisions: Training and Simulation and Battery and Power Systems.

Arotech is incorporated in Delaware, with corporate offices in Ann Arbor, Michigan, and research, development and production subsidiaries in Alabama, Michigan, and Israel. For more information on Arotech, please visit Arotech's website at <http://www.arotech.com>.

Except for the historical information herein, the matters discussed in this news release include forward-looking statements, as defined in the Private Securities Litigation Reform Act of 1995. Forward-looking statements reflect management's current knowledge, assumptions, judgment and expectations regarding future performance or events. Although management believes that the expectations reflected in such statements are reasonable, readers are cautioned not to place undue reliance on these forward-looking statements, as they are subject to various risks and uncertainties that may cause actual results to vary materially. These risks and uncertainties include, but are not limited to, risks relating to: product and technology development; the uncertainty of the market for Arotech's products; changing economic conditions; delay, cancellation or non-renewal, in whole or in part, of contracts or of purchase orders (including as a result of budgetary cuts resulting from automatic sequestration under the Budget Control Act of 2011); and other risk factors detailed in Arotech's most recent Annual Report on Form 10-K for the fiscal

year ended December 31, 2012 and other filings with the Securities and Exchange Commission. Arotech assumes no obligation to update the information in this release. Reference to the Company's website above does not constitute incorporation of any of the information thereon into this press release.
