Forward-Looking Statements

Please note that in this press release we may use words such as "appears," "anticipates," "believes," "plans," "expects," "intends," "future," and similar expressions which constitute forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are made based on

our expectations and beliefs concerning future events impacting the Company and therefore involve a number of risks and uncertainties. We caution that forward-looking statements are not guarantees and that actual results could differ materially from those expressed or implied in the forward-looking statements. Potential risks and uncertainties that could cause the actual results of operations or financial condition of the Company to differ materially from those expressed or implied by forward-looking statements in this release include, but are not limited to, the overall level of consumer spending on our products; general economic conditions and other factors affecting consumer confidence; disruption and volatility in the global capital and credit markets, including the ability to obtain sufficient financing; the financial strength of the Company's customers; the Company's ability to implement its growth strategy, including its ability to organically grow each of its historical product lines, the ability of the Company to identify potential acquisition or investment opportunities as part of its acquisition strategy; the Company's ability to successfully execute its acquisition strategy or that any such strategy will result in the Company's future profitability; the Company's ability to successfully integrate Sierra Bullets, L.L.C.; changes in governmental regulation, legislation or public opinion relating to the manufacture and sale of bullets by our Sierra segment, and the possession and use of firearms and ammunition by our customers; the Company's exposure to product liability or product warranty claims and other loss contingencies; stability of the Company's manufacturing facilities and foreign suppliers; the Company's ability to protect patents, trademarks and other intellectual property rights; any breaches of, or interruptions in, our information systems; fluctuations in the price, availability and quality of raw materials and contracted products as well as foreign currency fluctuations; our ability to utilize our net operating loss carryforwards; legal, regulatory, political and economic risks in international markets; the additional leverage that we may incur to finance our recently announced modified Dutch auction tender offer, which could adversely affect our capital resources, financial condition and liquidity; our decreased "public float" (the number of Shares owned by non-affiliate stockholders and available for trading in the securities markets) as a result of the tender offer and other share repurchases; and the commencement and completion of the tender offer. More information on potential factors that could affect the Company's financial results is included from time to time in the Company's public reports filed with the Securities and Exchange Commission, including the Company's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. All forward-looking statements included in this press release are based upon information available to the Company as of the date of this press release, and speak only as of the date hereof. We assume no obligation to update any forward-looking statements to reflect events or circumstances after the date of this press release.
