Pingtan Marine Enterprise Ltd. Provides Update on Recent \$ 4 million Registered Direct Offering and Date of Initial Conversion of First Tranche of Series A Preferred Shares

FUZHOU, China, Jan. 12, 2021 /PRNewswire/ -- Pingtan Marine Enterprise Ltd. (Nasdaq: PME), ("Pingtan," or the "Company"), a fishing company based in the People's Republic of China, announced on January 8, 2021 that it received \$4 million investment through issuing 4,000,000 of its Series A Convertible Preferred Shares, par value \$0.001 per share ("Series A Preferred Shares"), in a registered direct offering. Each Series A Preferred Share is convertible into the Company's ordinary shares at a conversion price per share equal to the lesser of (i) \$2.00 and (ii) 90% of the lowest volume weighted average price of the ordinary shares on a trading day during the ten trading days prior to the conversion date, but not lower than \$0.44, subject to certain adjustments. Holders of Series A Preferred Shares are entitled to receive dividends of 8.0% per annum.

For example, if all the 4 million Series A Preferred Shares were converted at \$2.00, it would have resulted in the holder receiving approximately 2.36 million of the Company's ordinary shares.

As provided in the material terms of the Series A Preferred Shares, on each Monday following the 14th day after the original issue date, January 8, 2021, the holder of Series A Preferred Shares will convert a minimum of \$250,000 of the stated value of the Series A Preferred Shares into ordinary shares at the applicable conversion rate until there are no remaining Series A Preferred Shares held by such holder. The first conversion date is expected to occur on January 25, 2021. The conversion rate will be determined as of such conversion date as described above.
