

COMPANY OVERVIEW

Command Security Corporation and its Aviation Safeguards division provide physical security solutions including uniformed security officers, aviation security services, and industry-leading security technology to commercial, financial, industrial, aviation and governmental customers throughout the United States. As our credo states “Securing All You Value”, we safeguard against theft, fraud, fire, intrusion, vandalism and the many other threats that our customers are facing today. By partnering with each customer, we design programs customized to meet their specific security needs and address their particular concerns. We bring years of expertise, including sophisticated systems for hiring, training, supervision and oversight, backed by cutting-edge technology, to every situation that our customers face involving security. Our mission is to enable our customers to operate their businesses without disruption or loss, and to create safe environments for their employees.
