

Company Overview

Bio-Techne is a global developer, manufacturer and supplier of high-quality reagents, analytical instruments, and precision diagnostics. Whether you're at the cutting edge of academic research, translating basic discoveries to therapeutic leads, or at a facility that requires the highest level of diagnostic testing, our award-winning tools and solutions empower scientists and clinicians to achieve reproducible and consistent results. Trusting Bio-Techne means choosing confidence that every solution you use will help move you toward better answers.

ScaleReady Announces Award of a G-Rex® Grant to the Gates Institute's Translational Sciences Laboratory
