BENEFITS TO BUILDING WITH SG BLOCKS

FAST

Reduce construction time by up to 50%. (SG Blocks can be set on site at the rate of one every 30 minutes.)

SCALABLE

SG Blocks are the ideal building system for scaling your project up or down—just add blocks.

RELOCATABLE

SG Blocks can be disassembled and relocated, making them ideal for temporary or semi-permanent construction.

DELIVERABLE

SG Blocks are designed to ship efficiently via road from our facilities located across the United States.

STACKABLE

SG Blocks can be safely stacked up to 9 blocks high while withstanding vertical and lateral forces.

AFTERLIFE

SG Blocks have long-term value and can be resold when you no longer need them.

**THE PREMIER
PROVIDER OF
CONTAINER BASED
CONSTRUCTION**

A blue shipping container with vertical corrugations. The text "WHY CONTAINERS?" is centered on the side of the container in a bold, white, sans-serif font. The container is shown from a side-on perspective, with its top and bottom edges visible. The background is a plain, light gray.

WHY CONTAINERS?

A red forklift is lifting a blue shipping container from a stack. The yard is filled with many stacks of shipping containers in various colors including blue, red, orange, and green. The background shows a sunset sky with warm orange and yellow tones.

**CONTAINERS ARE
STRONG, GREEN, AND
ABUNDANT IN SUPPLY.**
