# Optex Systems Announces Share Repurchase Program

RICHARDSON, TX -- (Marketwired) -- 03/02/17 -- Optex Systems Holdings, Inc. (OTCQB: OPXS), a leading manufacturer of precision optical sighting systems for domestic and worldwide military and commercial applications, today announced that its Board of Directors has approved a share repurchase program of the Company's common stock. In addition, the independent directors shall constitute a board level committee that shall be authorized to approve the buy back of up to 1 million shares of the Company's common stock over the next 24 months from time to time at the request of management.

Danny Schoening, Optex's CEO, commented, "We have recently announced several significant contracts both domestic and worldwide, demonstrating the strength of our business model and the success of our geographic and product expansion. This share repurchase program reflects our commitment to maximizing shareholder returns through a disciplined approach of thoughtful capital allocation and support of our capital structure."

This press release does not constitute an offer to purchase securities and any stock repurchases shall be made on the open market, subject to strict compliance with all applicable federal and state laws and regulations, and during appropriate trading windows approved by the Board of Directors and Company counsel.

## **ABOUT OPTEX SYSTEMS**

Optex, which was founded in 1987, is a Richardson, Texas, based ISO 9001:2008 certified concern, which manufactures optical sighting systems and assemblies, primarily for Department of Defense (DOD) applications. Its products are installed on various types of U.S. military land vehicles, such as the Abrams and Bradley fighting vehicles, Light Armored and Armored Security Vehicles, and have been selected for installation on the Stryker family of vehicles. Optex also manufactures and delivers numerous periscope configurations, rifle and surveillance sights, and night vision optical assemblies. Optex delivers its products both directly to the military services and to prime contractors. For additional information, please visit the Company's website at [www.optexsys.com](http://www.optexsys.com).

## **Safe Harbor Statement**

This press release and other written reports and oral statements made from time to time by the Company may contain so-called "forward-looking statements," all of which are subject to risks and uncertainties. You can identify these forward-looking statements by their use of words such as "expects," "plans," "will," "estimates," "forecasts," "projects" and other words of similar meaning. You can identify them by the fact that they do not relate strictly to historical or current facts. These statements are likely to address the Company's growth strategy, financial results and product and development programs. You must carefully consider any such statement and should understand that many factors could cause actual

results to differ from the Company's forward-looking statements. These factors include inaccurate assumptions and a broad variety of other risks and uncertainties, including some that are known and some that are not. No forward-looking statement can be guaranteed and actual future results may vary materially.

The Company does not assume the obligation to update any forward-looking statement. You should carefully evaluate such statements in light of factors described in the Company's filings with the SEC, especially on Forms 10-K, 10-Q and 8-K. In various filings the Company has identified important factors that could cause actual results to differ from expected or historic results. You should understand that it is not possible to predict or identify all such factors. Consequently, you should not consider any such list to be a complete list of all potential risks or uncertainties.
