# Optex Systems Announces over \$7 Million in New Contracts

RICHARDSON, Texas, Sept. 10, 2018 (GLOBE NEWSWIRE) -- Optex Systems, Inc., a wholly owned subsidiary of Optex Systems Holdings, Inc. (OTCQB:OPXS), a leading manufacturer of precision optical sighting systems for domestic and worldwide military and commercial applications, announced today it has been awarded over \$7 Million in new contracts to date during the fourth fiscal quarter of 2018. The majority of these contracts are for Laser Protected Periscopes but also contain Non-Laser Protected Periscopes and various Sighting Systems. These awards are consistent with previous contracts entered into by Optex Systems.

Danny Schoening, CEO of Optex stated, "This increase in our backlog shows the continuing partnership between Optex, our Prime Customers, and the United States Department of Defense. Optex continues to support both the new production of armored vehicles and the ongoing repair and refurbishment programs. If today's soldiers are inside the armored vehicles and monitoring the environment outside the vehicles, this is executed through Optex Products."

## ABOUT OPTEX SYSTEMS

Optex, which was founded in 1987, is a Richardson, Texas based ISO 9001:2008 certified concern, which manufactures optical sighting systems and assemblies, primarily for Department of Defense (DOD) applications. Its products are installed on various types of U.S. military land vehicles, such as the Abrams and Bradley fighting vehicles, Light Armored and Armored Security Vehicles, and have been selected for installation on the Stryker family of vehicles. Optex also manufactures and delivers numerous periscope configurations, rifle and surveillance sights, and night vision optical assemblies. Optex delivers its products both directly to the military services and to prime contractors.
