### **About Volt Information Sciences, Inc.**

Volt Information Sciences, Inc. is a global provider of staffing services (traditional time and materials-based as well as project-based). Our staffing services consist of workforce solutions that include providing contingent workers, personnel recruitment services, and managed staffing services programs supporting primarily administrative, technical, information technology, light-industrial and engineering positions. Our managed staffing programs involve managing the procurement and on-boarding of contingent workers from multiple providers. Our customer care solutions specialize in serving as an extension of our customers' consumer relationships and processes including collaborating with customers, from help desk inquiries to advanced technical support. Our complementary businesses offer customer care call centers, customized talent, and supplier management solutions to a diverse client base. Volt services global industries including aerospace, automotive, banking and finance, consumer electronics, information technology, insurance, life sciences, manufacturing, media and entertainment, pharmaceutical, software, telecommunications, transportation, and utilities. For more information, visit [www.volt.com](http://www.volt.com).

### **About IDEAS Investor Conferences**

The mission of the IDEAS Conferences is to provide independent regional venues for quality companies to present their investment merits to an influential audience of investment professionals. Unlike traditional bank-sponsored events, IDEAS Investor Conferences are "Sponsored BY the Buyside FOR the Buyside" and for the benefit of regional investment communities. Additional information about the events can be located at [www.IDEASconferences.com](http://www.IDEASconferences.com).
