LiveDeal, Inc. Reports 2012 First Quarter Financial Results

LAS VEGAS--(BUSINESSWIRE)--LiveDeal, Inc. (NASDAQ: LIVE), a provider of web-based local customer acquisition and related products for small businesses, today reported financial results for its first fiscal quarter ended December 31, 2011.

Net loss for the fiscal 2012 first quarter decreased 89%, or \$1,538,756, to \$191,638 from \$1,730,394 reported for the fiscal 2011 first quarter. The decrease was primarily attributable to the decrease in the company's cost of services and general and administrative expenses described below. Gross profit for the fiscal 2012 first quarter increased 515%, or \$515,549, to \$615,594 from \$100,045 reported for the fiscal 2011 first quarter, which is primarily ascribable to the decrease in the company's cost of services described below.

Net revenues for the fiscal 2012 first quarter were \$851,413, a decrease of \$143,209 (14%) from \$994,622 reported for the fiscal 2011 first quarter. The decrease was primarily attributable to a pause in the company's sales efforts since July 2011 during which time the company evaluated new sales programs, improved its marketing and fulfillment services, and implemented various cost reductions. The company's cost of services for the fiscal 2012 first quarter was \$235,819, a \$658,758 (74%) decrease from \$894,577 reported for the fiscal 2011 first quarter. The decrease was primarily ascribable to decreased fulfillment costs as the company took over fulfillment activities from third party vendors. General and administrative expenses for the fiscal 2012 first quarter were \$766,808, a decrease of \$1,205,761 (61%) from \$1,972,569 reported for the fiscal 2011 first quarter. The decrease was primarily attributable to decreased employee compensation and professional fee expenses.

Commenting on the results, Jon Isaac, LiveDeal's newly appointed President and CEO, stated, "We are very encouraged with our recent financial results, especially since total operating losses have declined substantially due to the closing of unprofitable product lines, reductions in cost of services, and reductions in general and administrative expenses. We expect that continued operational improvements, along with top-line growth, can lead LiveDeal, Inc. toward profitability this fiscal year."
