Arch Therapeutics to Present at 2015 LD MICRO Invitational Conference on June 1

FRAMINGHAM, MA -- (Marketwired) -- 05/18/15 -- Arch Therapeutics, Inc. (OTCQB: ARTH) ("Arch" or the "Company"), developer of the AC5 Surgical Hemostatic Device™ (AC5™) for use in controlling bleeding and fluid loss in order to provide faster and safer surgical and interventional care, will be featured as a presenting company at the LD MICRO Invitational conference on Monday, June 1, 2015 at 3:30 PM PDT. The conference will be held at the Luxe Sunset Hotel in Bel Air, California.

Chief Executive Officer Terrence W. Norchi, MD will provide a corporate update, discuss planned upcoming milestones, and highlight some of the differentiating features of AC5, which is in the late stages of development.

"We are excited to have Arch present again. We are excited to hear about their latest developments," stated Chris Lahiji, President of LD MICRO.

The LD MICRO Invitational has steadily grown each year since its inception in 2010. This year the LD MICRO will be hosting approximately 185 presenting micro-cap growth companies and 1,000 people at the event.

About Arch Therapeutics, Inc.

Arch Therapeutics, Inc. is a medical device company developing a novel approach to stop bleeding (hemostasis) and control leaking (sealant) during surgery and trauma care. Arch is developing products based on an innovative self-assembling peptide technology platform to make surgery and interventional care faster and safer for patients. Arch's flagship development stage product candidate, known as AC5™, is being designed to achieve hemostasis in minimally invasive and open surgical procedures. About LD MICRO

LD Micro is an investment newsletter firm that focuses on finding undervalued companies in the micro-cap space. Since 2002, the firm has published reports on select companies throughout the year. The firm also hosts the LD Micro Main Event in December. It is a non-registered investment advisor. For more information, please contact 408-457-1042 or visit www.ldmicro.com.

Notice Regarding Forward-Looking Statements

This news release contains "forward-looking statements" as that term is defined in Section 27(a) of the Securities Act of 1933, as amended, and Section 21(e) of the Securities

Exchange Act of 1934, as amended. Statements in this press release that are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations or intentions regarding the future. Such forward-looking statements include, among other things, references to novel technologies and methods, our business and product development plans and projections, or market information. Actual results could differ from those projected in any forward-looking statements due to numerous factors. Such factors include, among others, the inherent uncertainties associated with developing new products or technologies and operating as a development stage company, our ability to retain important members of our management team and attract other qualified personnel, our ability to raise the additional funding we will need to continue to pursue our business and product development plans, our ability to develop and commercialize products based on our technology platform, and market conditions. These forward-looking statements are made as of the date of this news release, and we assume no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements. Although we believe that any beliefs, plans, expectations and intentions contained in this press release are reasonable, there can be no assurance that any such beliefs, plans, expectations or intentions will prove to be accurate. Investors should consult all of the information set forth herein and should also refer to the risk factors disclosure outlined in the reports and other documents we file with the SEC, available at www.sec.gov.

On Behalf of the Board,
Terrence W. Norchi, MD
