The replay will also be available on the Company's website under the [Investor Relations section](#).

## About Mobivity

Brick and mortar stores struggle to manage customer connections in a digital world. Mobivity provides a platform to connect national restaurants, retailers, personal care brands, and their partners with customers to increase retention, visits, and spend. Mobivity's Recurrency suite of products increases customer engagement and frequency by capturing detailed point-of-sale transaction records, analyzing customer habits, and motivating customers and employees through data-driven messaging applications and rewards. For more information about Mobivity, visit [mobivity.com](http://mobivity.com) or call (877) 282-7660.
