SPYR Announces Global Launch of Steven Universe: Tap Together

DENVER, Aug. 02, 2018 (GLOBE NEWSWIRE) -- SPYR, INC. (OTC Pink: SPYR), a holding company with a wholly owned subsidiary in the mobile game & app development and publishing industry, today announced the global launch of its newly published game, *Steven Universe: Tap Together*. *Steven Universe: Tap Together* is a new mobile game based on Cartoon Network's hit animated series *Steven Universe*.

Steven Universe: Tap Together is an all-new idle tapper game where players can collect all of the Crystal Gems and Steven's friends from Beach City to fight off the never-ending stream of imaginary monsters. Defeating each monster gives players XP to level up their team and coins to unlock new characters and abilities. The game also allows players to play together with all of their friends in guilds, encouraging players to continue to gain strength and top the leaderboards.

Cartoon Network's Emmy-nominated *Steven Universe* revolves around Steven, the "little brother" to a team of magical aliens—the Crystal Gems—who defend the planet Earth. Steven is the son of the Crystal Gems' late leader Rose Quartz and aging aspiring rockstar, Mr. Universe. Steven belongs everywhere and nowhere: he has inherited his mother's Gem and her magical powers, but also his father's humanity and charm. The show is a slice-of-life action comedy that follows Steven as he attempts to bridge the gap between the sci-fi fantasy world of Gems and the cozy, funny, simple-yet-extraordinarily-complicated world of human beings. *Steven Universe* is created by Emmy and Annie Award-nominated writer and *New York Times* bestselling author **Rebecca Sugar**, and produced by Cartoon Network Studios.

Mike Turner, SPYR's VP of Strategic Partnerships, states, "*Steven Universe: Tap Together* is now available to players all over the world and we are very excited to see how players react to the game. Throughout the beta launch of the game, feedback was extremely positive and the game is being embraced by the large and passionate *Steven Universe* fanbase. We have every indication that the game will be a success all over the world."

About SPYR

[SPYR, INC.](#) is a holding company that through its wholly owned subsidiary SPYR APPS, LLC, is engaged in mobile application and game publishing and development. The Company is currently exploring opportunities for additional acquisitions in these and other verticals, including mobile application and game development, in order to expand its holdings, to drive and increase revenue and to generate profits and build value for
