Galaxy Gaming Announces New Ticker Symbol

LAS VEGAS, Sept. 2, 2009 (GLOBE NEWSWIRE) -- Galaxy Gaming, Inc., formerly known as Secured Diversified Investment, Ltd. (OTCBB:GLXZ), announced today that its shares now trade on the Over-the-Counter Bulletin Board (OTC-BB) quotation service under the new trading symbol "GLXZ.OB." The Company previously traded on the OTC-BB service under the ticker symbol "SECD.OB" and was issued its new symbol by the Financial Industry Regulatory Authority ("FINRA") as a result of a recent merger of the two companies.

"This event represents the final step in the transformation of Galaxy Gaming from a private company into a public one," stated Robert B. Saucier, Chief Executive Officer of Galaxy Gaming, Inc. "For over a decade we have been known throughout the industry as Galaxy Gaming. The Secured Diversified moniker, which was a result of our reverse merger in February, was confusing to many who followed us. We are excited to be now united as 'Galaxy Gaming' and to have been issued our new symbol by FINRA. Although our shareholders have been thrilled with our company's performance, they never could quite understand why we still had the SECD symbol. They welcome the new GLXZ symbol."
