About OGIS® San Francisco

The IPAA Oil & Gas Investment Symposium San Francisco (OGIS San Francisco) has become one of the premier outlets for publicly traded independent exploration and production, service and supply and MLP companies to present their company profiles to the investment community.

About Westlake Securities New Frontiers in Energy Conference

The Westlake Securities' third energy investment conference will host 400 attendees for an investment-focused oil and gas company conference focusing on new technology, up-and-coming companies and opportunities for collaboration and investment. Format will be three tracks (E&P, Energy Services and Natural Gas), keynote speakers, panels, one-on-one meeting co-ordination, a networking reception on Monday and dinner to close the event on Tuesday.

About AMIZINO Fall 2013 Small Cap/Micro Cap Investment Conference

This conference is collaboration between Accredited Members, Inc., a membership-based financial research firm specializing in small cap/micro cap research that hosts 3-4 investment conferences annually, and ZINO Society, a premier membership, business and social network that connects accredited investors with entrepreneurs seeking funding.

About Torchlight Energy
