SilverSun Technologies Recognized for Excellence in Managed IT Services

SWK Technologies Subsidiary Named to CRN's 2019 MSP500 Elite 150

EAST HANOVER, NJ, March 05, 2019 (GLOBE NEWSWIRE) -- via NEWMEDIAWIRE -- SilverSun Technologies, Inc. (NASDAQ: SSNT), a national provider of transformational business technology solutions and services, today announced that its wholly-owned subsidiary, SWK Technologies, Inc. (SWK), has been named to the 2019 Managed Service Provider (MSP) 500 list in the Elite 150 category by CRN®, a brand of The Channel Company. This annual list recognizes North American solution providers who have cutting-edge approaches to delivering managed services. Their offerings help companies navigate the complex and ever-changing landscape of IT, improve operational efficiencies, and maximize their return on IT investments.

In today's fast-paced business environments, MSPs such as SWK Technologies play an important role in helping companies leverage new technologies without straining their budgets or losing focus on their core business. CRN's MSP 500 list shines a light on the most forward-thinking and innovative of these key organizations.

"Capable MSPs enable companies to take their cloud computing to the next level, streamline spending, effectively allocate limited resources and navigate the vast field of available technologies," said Bob Skelley, CEO of The Channel Company. "The companies on CRN's 2019 MSP 500 list stand out for their innovative services, excellence in adapting to customers' changing needs and demonstrated ability to help businesses get the most out of their IT investments."

"We're proud to be named to the CRN MSP500 Elite 150," said Mark Meller, CEO of both SilverSun and SWK. "Our team, under the leadership of Bill Michael and others, continues to provide cutting edge products and services which help our customers navigate the challenges and complexities of today's cyber environment. Whether in cybersecurity, application hosting, business continuity, disaster recovery or helpdesk, the SWK team helps our customers protect their data and recognize value for their IT investment each and every day."

The MSP500 list is featured in the February 2019 issue of CRN and online at www.CRN.com/msp500.

About SilverSun Technologies, Inc.

We are a business application, technology and consulting company providing strategies and solutions to meet our clients' information, technology and business management needs. Our services and technologies enable customers to manage, protect and monetize their enterprise assets whether on-premise or in the "Cloud". As a value added reseller of business application software, we offer solutions for accounting and business management, financial reporting, Enterprise Resource Planning ("ERP"), Warehouse Management Systems, Customer Relationship Management, and Business Intelligence. Additionally, we have our own development staff building software solutions for Electronic Data Interchange, time and billing, and various ERP enhancements. Our value-added services focus on consulting and professional services, specialized programming, training, and technical support. We have a dedicated network services practice that provides managed services, hosting, business continuity, cloud, e-mail and web services. Our customers are nationwide, with concentrations in the New York/New Jersey metropolitan area, Chicago, Dallas, Arizona and Southern California.

Forward-Looking Statements

This news release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, as amended, regarding, among other things our plans, strategies and prospects -- both business and financial. Although we believe that our plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, we cannot assure you that we will achieve or realize these plans, intentions or expectations. Forward-looking statements are inherently subject to risks, uncertainties and assumptions. Many of the forward-looking statements contained in this news release may be identified by the use of forward-looking words such as "believe," "expect," "anticipate," "should," "planned," "will," "may," "intend," "estimated," and "potential," among others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this news release include market conditions and those set forth in reports or documents that we file from time to time with the United States Securities and Exchange Commission. All forward-looking statements attributable to SilverSun Technologies, Inc. or a person acting on its behalf are expressly qualified in their entirety by this cautionary language.
