LOS ANGELES, CA -- (Marketwired) -- 06/09/16 -- **Marathon Patent Group, Inc.** (NASDAQ: MARA) ("Marathon" or "Company"), a patent licensing and commercialization company, announced today that multiple members of its executive team and board of directors were named to the latest edition of IAM Strategy 300 -- The World's Leading IP Strategists.

Marathon's CEO Doug Croxall, CFO Frank Knuettel, Director of Acquisitions, Licensing and Strategy Erich Spangenberg, and Strategy Executive VP of Licensing Rick Sanchez, as well as board member Richard Chernicoff, were all named in the prestigious list of the top world's leading IP Strategists

The World's Leading IP Strategists is published online by IAM. The industry guide lists the individuals that in-depth research, undertaken by a team based in London, Washington DC and Hong Kong, has shown possess world-class skills in the development and roll-out of strategies that maximize the value of patents, copyright, trademarks and other IP rights.

The IAM research team spoke to a wide range of senior corporate IP managers in North America, Europe and Asia, as well as third-party IP service providers, in order to identify these IP leaders: men and women whose business is the creation, development and deployment of strategies that enable IP owners to gain maximum value from their portfolios. Only those individuals nominated multiple times by different parties as outstanding IP strategists are listed in the IAM Strategy 300.

"The IP market is becoming increasingly international, with companies across the world now focusing on creating maximum value from the assets that they own. That makes IP strategists more important than they have ever been before," says IAM editor Joff Wild. "We are delighted that this publication has become the recognized source of reference for those seeking to identify the men and women who offer best-in-class expertise. What's more, we believe that the roles all those named in the IAM Strategy 300 play is only going to increase in importance over the coming years. We salute each and every one of them."

The IAM Strategy 300 is available in printed format and online at www.IAM-media.com/strategy300.
