

Company Overview

MariMed, Inc. is dedicated to improving health and wellness with the highest quality hemp and cannabis products. It is one of the largest multi-state cannabis and hemp operators in the US. The company offers a full range of cannabis products, operates state of the art cannabis facilities in six states, and has recently announced the formation of a separate division, MariMed Hemp, focused on the development of industrial hemp-derived CBD products. Across its branded products, MariMed is in the forefront of precision dosed branded products for the treatment of specific medical symptoms. MariMed currently distributes its branded products in select states and is expanding licensing and distribution to numerous additional markets encompassing thousands of dispensaries.
