Fusion Awarded a 2018 Excellence Award by INTERNET TELEPHONY Magazine

Fusion's Cloud Communications Solution Honored for Delivering Exceptional IP Communications Solutions

NEW YORK, Dec. 04, 2018 (GLOBE NEWSWIRE) -- Fusion (NASDAQ: FSNN), a leading provider of cloud services, announced today that TMC, a global, technology-focused media company, has named Fusion360, Fusion's comprehensive and fully integrated cloud communications solution, as a recipient of a 2018 INTERNET TELEPHONY Excellence Award presented by Internet Telephony magazine.

Fusion360 combines high quality, high value cloud communications solutions with advanced unified communications features to increase productivity across the enterprise while reducing costs. MobileConnect, Fusion360's device-agnostic, everywhere mobility option, carries the UC experience across mobile and desktop platforms seamlessly, enabling voice and video calling, instant and group messaging, presence and desktop sharing. Fusion also offers Fusion360 customers cloud-based enterprise Contact Center functionality to extend call distribution, complex queuing and real time management and reporting across the organization. Unlike many of its competitors, Fusion delivers all-in, single source solutions that remove the finger pointing that so often occurs in multi-vendor environments, combining the advanced features and functionality of the cloud with the secure, diverse network connections required to access and use its many benefits.

"We are honored to be recognized once again by TMC, an outstanding thought leader in the communications industry, for innovation in developing a powerful cloud communications solution," said Dan Foster, Fusion's Chief Revenue Officer. "Fusion's feature-rich, integrated unified communications, collaboration and advanced cloud voice solution was designed to help businesses do more as they save more, combining the benefits of the cloud with a secure, application-aware nationwide network, providing quality of service guarantees as we connect employees, offices and mobile users through our advanced cloud services platform," Mr. Foster continued.

"Congratulations to Fusion for being honored with an INTERNET TELEPHONY Excellence Award for innovation in IP communications. Fusion360 has demonstrated outstanding quality and has delivered exceptional solutions for its customers," stated <u>Rich Tehrani</u>, CEO, TMC.

About Fusion

Fusion, a leading provider of integrated cloud solutions to small, medium and large businesses, is the industry's Single Source for the Cloud[®]. Fusion's advanced, proprietary cloud service platform enables the integration of leading edge solutions in the cloud, including cloud communications, contact center, cloud connectivity and cloud computing.
