Naked Strengthens Global Growth Plans with European Trademark Protection

NEW YORK--

[Naked Brand Group Inc.](#) (OTCQB:NAKD) (“Naked” or “the Company”) is pleased to announce that the European Community Trademark Office has issued a Registration Certificate for its Naked trademark covering apparel. Effective immediately, the Naked trademark is protected in all 28 Member States of the European Union and further facilitates Naked’s strategy to become a global lifestyle brand.

“Europe will be an important market for Naked and securing strong intellectual property protection for our brand is a significant step in building our next phase of global distribution. The European market is well suited for Naked’s products and we are positioned to align with leading international retailers,” says Carole Hochman, CEO and Chief Creative Officer. “We look forward to offering customers the opportunity to ‘Get Naked’ with our expanded product line, new designs and packaging.”

Naked will be leveraging its executive team’s and advisory board’s expertise in Europe, which has a track record of launching and building successful lifestyle brands throughout the region. The European Trademark builds on Naked’s recent expansion announcement in Canada and Puerto Rico with retailer Nordstrom.
