Inventergy to Present at the Seventh Annual IP Business Congress Global

CAMPBELL, CA--(Marketwired - Jun 19, 2014) - Inventergy Global, Inc. (NASDAQ: INVT) ("Inventergy"), announced today that Joe Beyers, Chairman and CEO, has been invited to present at the upcoming IP Business Congress (IPBC) Global. The event will be held on June 22-24, 2014 at the Okura Hotel in Amsterdam.

Speaking Event: The IP Business Congress Global (IPBC Global)

Location: Okura Hotel (Amsterdam, NL)

Date: Monday, June 23, 2014

Time: 2:05PM (CEST)

Room: Ballroom 1

Joe Beyers, Chairman and CEO of Inventergy, will be amongst a group of distinguished speakers discussing the public IP market. The number of publicly traded IP companies (PIPCOs) has grown significantly during the previous several years. The session includes a discussion of the different business models employed, benefits of going public, and other topics.

"I am honored to be selected to speak at this prestigious event," said Joe Beyers, Chairman and CEO of Inventergy. "The IP market is rapidly growing and constantly evolving and I'm excited to join with my esteemed panel of experts to help shed light on IP issues and the future of the marketplace not only for the investor community, but also for individuals and corporations that are thinking about monetizing their IP."

Inventergy currently owns more than 750 patent assets in the telecommunications technology sector acquired from Huawei, Panasonic and Nokia (announced June 9, 2014). The Company is in talks with other companies to acquire other patent portfolios and drive licensing revenues.

About IPBC Global 2014

The [IP Business Congress Global](#) (IPBC Global), incorporating the IP Hall of Fame Gala Dinner, is an annual event addressing issues at the cutting edge of IP value creation and management. It brings together esteemed IP thought leaders from around the world in an atmosphere specifically designed to facilitate the exchange of ideas and experiences.

Hosted by Intellectual Asset Management magazine (IAM), the IPBC Global is widely acknowledged as the world's principal forum for senior thought leaders who specialize in the business of IP to come together to discuss cutting-edge issues around IP value creation. With IP continuing to move further up the corporate and investment agenda, this focus is more relevant than ever before. Attendees at the conference include: representatives from IP-owning entities, intermediaries and investors, policy makers and

academics, and legal services providers.

Cautionary Statement Regarding Forward-Looking Statements

This press release includes "forward-looking statements" intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. These statements include statements about our plans, strategies, financial performance, prospects or future events and involve known and unknown risks that are difficult to predict. As a result, our actual results, performance or achievements may differ materially from those expressed or implied by these forward-looking statements. These statements may be identified by the use of words like "anticipate," "believe," "estimate," "expect," "intend," "may," "plan," "will," "should," "seek" and similar expressions and include any projections or estimates set forth herein. Such forward-looking statements are necessarily based upon estimates and assumptions that, while considered reasonable by Inventergy and our management team, are inherently uncertain. A more complete description of these risks and uncertainties can be found in our filings with the U.S. Securities and Exchange Commission. We caution you not to place undue reliance on any forward-looking statements, which are made as of the date of this press release. We undertake no obligation to update publicly any of these forward-looking statements to reflect actual results, new information or future events, changes in assumptions or changes in other factors affecting forward-looking statements, except to the extent required by applicable laws. If we update one or more forward-looking statements, no inference should be drawn that we will make additional updates with respect to those or other forward-looking statements.
