UPDATE: SilverSun Technologies Announces Sage ERP X3 Sale

Subsidiary SWK Technologies Closes \$225,000 Transaction

LIVINGSTON, NJ -- (MARKET WIRE) -- 03/19/12 -- SilverSun Technologies, Inc. (OTCBB: SSNT) (OTCQB: SSNT) announced today that its subsidiary, SWK Technologies, has closed a significant sale of Sage ERP X3, Sage's flagship global ERP solution for mid-sized and larger businesses.

The value of the transaction is estimated at greater than \$225,000. The client is a process manufacturer of food flavorings.

Mark Meller, CEO of SilverSun Technologies, stated, "SWK has made a significant commitment to Sage ERP X3, in both time and money. This represents the 5th Sage X3 sale we've closed. As one of a handful of nationwide Sage business partners to recently adopt Sage ERP X3, SWK is one of very few of these resellers who are currently fully certified on the solution. SWK has also recently hired two key Sage ERP X3 consultants who were previously part of Sage's ERP X3 team. Our expertise in Sage ERP X3 is deep and growing."

Jeffrey D. Roth, CEO of SWK, added, "Sage ERP X3 will be an important and critical part of our business going forward. Sage ERP X3 provides our clients with a new generation of integrated, user-centric business solutions which allows all users of an extended enterprise to be active stakeholders in accelerated and collaborative business processes. It is an especially appealing solution for process manufacturers."

Roth continued, "As a result of the great demand we've seen in the marketplace, we have been hard at work at developing proprietary products which seamlessly integrate with Sage ERP X3. Not only do we expect to be able to make a series of announcements about additional Sage X3 sales in the very near future, but we also anticipate that we will soon be announcing our own line of proprietary solutions which enhance and increase the functionality of Sage ERP X3."

About SilverSun Technologies, Inc.

SilverSun Technologies is involved in the acquisition and build-out of technology and software companies. The Company's growth strategy is to acquire firms in this extensive and expanding, but highly fragmented segment, as it seeks to create substantial value for shareholders. Since June 2004, SilverSun has acquired SWK Technologies, Inc.,

Business Tech Solutions Group, Inc., Wolen Katz Associates, and AMP-BEST Consulting, Inc. For more information, visit www.treyresources.com, www.swktech.com, www.mapadoc.com, or contact SilverSunTechnologies CEO Mark Meller at (973) 758-9555 or by e-mail at mark.meller@swktech.com.
