SilverSun Technologies Closes Series of Software Transactions

Aggregate Deal Value Exceeds \$1,000,000

LIVINGSTON, NJ -- (Marketwired) -- 07/01/14 -- [SilverSun Technologies, Inc.](#) (OTCQB: SSNT) (OTCBB: SSNT), a national provider of transformational business technology solutions and services, today announced that its wholly-owned subsidiary, SWK Technologies, has in just the last 10 days successfully closed a series of software transactions in the aggregate amount of over \$1,000,000.

The transactions involve an assortment of products and services offered by the company, including SWK's BeerRun SaaS solution, SWK's application hosting services, Accellos's warehouse management system, Sage Software's ERP X3 software, Qlikview's business intelligence solution, and attendant consulting services.

Mark Meller, Chief Executive Officer of SilverSun Technologies, stated, "We are very pleased to see this type of strong finish to our second quarter. Our company's reputation for high end technology, depth of expertise, an ability to execute, and quality service has placed us in the enviable position of being the 'go to' solution for many SMB's (small and medium-sized businesses) looking for technology solutions and management applications."

Meller continued, "We look forward to continued momentum in the coming weeks and months. We anticipate 2014 to be a record year for our company."

About SilverSun Technologies, Inc.

Forward-Looking Statements

This press release may contain forward-looking statements, including information about management's view of SilverSun Technologies' future expectations, plans and prospects. In particular, when used in the preceding discussion, the words "believes," "expects," "intends," "plans," "anticipates," or "may," and similar conditional expressions are intended to identify forward-looking statements. Any statements made in this news release other than those of historical fact, about an action, event or development, are forward-looking statements. These statements involve known and unknown risks, uncertainties and other factors, which may cause the results of SilverSun Technologies, its subsidiaries and concepts to be materially different than those expressed or implied in such statements. Unknown or unpredictable factors also could have material adverse effects on SilverSun Technologies' future results. The forward-looking statements included in this press release are made only as of the date hereof. SilverSun Technologies cannot guarantee future results, levels of activity, performance or achievements. Accordingly, you should not place undue reliance on these forward-looking statements. Finally, SilverSun Technologies undertakes no obligation to update these statements after the date of this release, except as required by law, and also takes no obligation to update or correct information prepared by third parties that are not paid for by SilverSun Technologies.
