About the Marcum MicroCap Conference

The Marcum MicroCap Conference is dedicated to providing a forum where publicly traded companies under \$500 million in market capitalization can network with the investment community. The conference features presentations by CEOs and CFOs from six principal industry sectors and provides investors with the opportunity to meet with

management of these companies on a one-on-one basis. Industry sectors include Technology, Media & Internet; Software & Business Services; Life Science & Healthcare; Retail & Consumer Products; Energy & Natural Resources; and Industrials. The conference additionally includes a full agenda of panel discussions on issues of strategic importance to small cap issuers and investors, moderated by industry leaders.

The Marcum MicroCap Conference attracts fund managers and high net worth investors focusing on small cap equities. Over 2,000 participants from all segments of the microcap market attend each year, including senior management, finance and legal executives, venture and lower middle-market private equity investors, institutional investors, directors, investment bankers, buy- and sell-side analysts, and service providers to the microcap marketplace.
