SilverSun Technologies Completes Acquisition of ProductiveTech, Inc.

NJ Managed Service Provider's 2014 Revenue Exceeded \$1.7 Million

LIVINGSTON, NJ -- (Marketwired) -- 07/08/15 -- **SilverSun Technologies, Inc.** (OTCQB: SSNT) (OTCBB: SSNT) announced today that its wholly owned subsidiary, SWK Technologies, Inc., a national provider of transformational business technology solutions and services, closed on the acquisition of ProductiveTech, Inc., ("PTI"), a New Jersey-based managed services provider ("MSP") which provides 24/7/365 remote network monitoring, data backup, business continuity and cloud computing services to small and medium-sized businesses.

Founded in 1984, PTI is the pre-eminent computer and network services company serving Southern New Jersey, Eastern Pennsylvania, and Northern Delaware. The deal is expected to add, based on 2014 financials, more than \$1,700,000 in annualized revenue, \$930,000 of which is recurring subscription revenue. The acquisition, which cost \$1,360,000, was paid in the form of \$500,000 in cash, \$600,000 in the form of a 5-year note, and \$260,000 in SilverSun common stock.

Mark Meller, CEO of SilverSun, stated, "We are happy to announce the closing of this exciting transaction. This acquisition will help us in our plans to expand our MSP business to other regions where we currently have customers from our other technology businesses, such as Chicago, Dallas, Phoenix, Southern California, and Syracuse, NY. The acquisition of PTI will add management skills and technical resources which will permit us to establish and/or acquire managed service practices in these other regions."

Jeffrey D. Roth, CEO of SWK Technologies, commented, "This transaction will allow us to expand our MSP practice into central and southern New Jersey, giving us service coverage for the entire state of New Jersey. This powerful combination of the SWK and PTI teams will establish us as a significant player in the managed and cloud services marketplace in the state of NJ and beyond."
