SilverSun Technologies Signs Letter of Intent to Acquire The Macabe Associates

Seattle Developer/Reseller Averages \$1 Million Per Year in Revenue

LIVINGSTON, N.J., Sept. 24, 2015 (GLOBE NEWSWIRE) -- SilverSun Technologies, Inc. (OTCBB:SSNT) (OTCQB:SSNT) announced today that its wholly owned subsidiary, SWK Technologies, Inc. (the "Company"), a national provider of transformational business technology solutions and services, has signed a non-binding letter of intent to acquire The Macabe Associates, Inc., a leading Seattle-based developer and reseller of Sage and Acumatica applications.

The deal is expected to add roughly \$1 million in annual revenue. It is anticipated that the transaction, which is subject to the signing of definitive agreements and customary closing conditions, will close on or before September 30, 2015. The terms of the transaction were not disclosed.

Mark Meller, the Company's Chief Executive Officer, stated, "The Macabe Associates has an impressive library of proprietary solutions and integrations, and a strong, established customer base. With our existing sales and marketing infrastructure, we believe we can substantially increase the revenue generated by these proprietary products. We continue to execute on our business plan to increase value for our shareholders by increasing profitable sales and acquiring companies and technologies."

"This acquisition further enhances SWK's position within the Sage and Acumatica ecosystems," added Jeffrey D. Roth, Chief Executive Officer of SWK Technologies. "Our management talent, in-house expertise, and financial resources will enable us to rapidly accelerate sales from the Macabe customer base. Furthermore, the addition of Mary Abdian and her team will provide us with additional development talent to create more proprietary applications and integrations. We are very excited about this acquisition, and the opportunities it provides us for future growth."
