## **Alliqua BioMedical, Inc. Announces Partnership with Partners Capital Group to Provide UltraMIST® Customers with New Equipment Financing Programs**

YARDLEY, Pa., June 19, 2017 (GLOBE NEWSWIRE) -- Alliqua BioMedical, Inc. (Nasdaq:ALQA) ("Alliqua" or "the Company"), a regenerative technologies company committed to restoring tissue and rebuilding lives, today announced that it has entered into a partnership with Partners Capital Group to provide its potential UltraMIST customers with new equipment financing programs. Partners Capital Group is a financial services company that provides capital leasing and financing programs to customers on behalf of vendors and suppliers of equipment and software.

"We are excited to be able to offer additional attractive financing options for our potential UltraMIST customers as a result of this new partnership," said Nino Pionati, Chief Strategy and Marketing Officer of Alliqua BioMedical. "This partnership is another example of our continued commitment to providing our customers with greater financial flexibility through a variety of equipment acquisition options for our UltraMIST system, including sale, rental, pay-per-use and consignment options."

### **About Alliqua BioMedical, Inc.**

Alliqua is a regenerative technologies company committed to restoring tissue and rebuilding lives. Through its sales and distribution network, together with its proprietary products, Alliqua offers solutions that allow clinicians to utilize the latest advances in regenerative technologies to bring improved patient outcomes to their practices.

Alliqua currently markets the human biologic regenerative technologies, Biovance® and Interfyl™. The Company also markets its UltraMIST® Therapy System, which uses painless, noncontact low-frequency ultrasound to stimulate cells below the wound bed to promote the healing process. In addition to these technologies, Alliqua markets its line of dressings for wound care under the SilverSeal® and Hydress® brands, as well as its TheraBond 3D® advanced dressing which incorporates the TheraBond 3D® Antimicrobial Barrier Systems technology.

In addition, Alliqua can provide a custom manufacturing solution to partners in the medical device and cosmetics industry, utilizing its hydrogel technology. The Company has locations in Yardley, Pennsylvania, Langhorne, Pennsylvania and Eden Prairie, Minnesota.

### **Legal Notice Regarding Forward-Looking Statements:**

This release contains forward-looking statements. Forward-looking statements are generally identifiable by the use of words like "may," "will," "should," "could," "expect," "anticipate," "estimate," "believe," "intend," or "project" or the negative of these words or other variations on these words or comparable terminology. The reader is cautioned not to put undue reliance on these forward-looking statements, as these statements are subject to numerous factors and uncertainties outside of our control that can make such statements untrue, including, but not limited to, the adequacy of the Company's liquidity to pursue its complete business objectives; inadequate capital; the Company's ability to obtain reimbursement from third party payers for its products; loss or retirement of key executives; adverse economic conditions or intense competition; loss of a key customer or supplier; entry of new competitors and products; adverse federal, state and local government regulation; technological obsolescence of the Company's products; technical problems with the Company's research and products; the Company's ability to expand its business through strategic acquisitions; the Company's ability to integrate acquisitions and related businesses; price increases for supplies and components; and the inability to carry out research, development and commercialization plans. In addition, other factors that could cause actual results to differ materially are discussed in our filings with the SEC, including our most recent Annual Report on Form 10-K filed with the SEC, and our most recent Form 10-Q filings with the SEC. Investors and security holders are urged to read these documents free of charge on the SEC's web site at <http://www.sec.gov>. We undertake no obligation to publicly update or revise our forward-looking statements as a result of new information, future events or otherwise.
