Delek US Holdings and Alon USA Partners Announce Record Date for Unitholder Written Consents for Alon USA Partners Acquisition

BRENTWOOD, Tenn., Dec. 20, 2017 (GLOBE NEWSWIRE) -- Delek US Holdings, Inc. (NYSE:[DK](#)) ("Delek US") and Alon USA Partners, LP (NYSE:[ALDW](#)) ("Alon Partners") today announced that Alon Partners' general partner has set January 2, 2018 as the record date for determining holders of common units in Alon Partners entitled to execute and deliver written consents with respect to the proposed acquisition.

The approval and adoption of the acquisition requires the affirmative vote or consent of holders of at least a majority of the outstanding common units in Alon Partners. Delek US and its affiliates currently own approximately 51.0 million common units of Alon Partners, or approximately 81.6 percent of the outstanding units. A subsidiary of Delek US, which owns a sufficient number of Alon Partners common units to approve the merger on behalf of all Alon Partners public unitholders, has executed a support agreement in which it has irrevocably agreed to consent to the merger. Under terms of the merger agreement, the owners of the outstanding common units in Alon Partners that Delek US and its affiliates do not currently own will receive a fixed exchange ratio of 0.49 Delek US shares for each common unit of Alon Partners.

About Delek US Holdings, Inc.

Delek US Holdings, Inc. is a diversified downstream energy company with assets in petroleum refining, logistics, asphalt, renewable fuels and convenience store retailing. Safe Harbor Provisions Regarding Forward-Looking Statements

This press release contains forward-looking statements that are based upon current expectations and involve a number of risks and uncertainties. Statements concerning current estimates, expectations and projections about future results, performance, prospects, opportunities, plans, actions and events and other statements, concerns, or matters that are not historical facts are "forward-looking statements," as that term is defined under the federal securities laws. These forward-looking statements include, but are not limited to, statements regarding the proposed merger with Alon Partners including the timing, closing and success thereof; the ability of Delek US to simplify its corporate structure, reduce costs, reallocate cash flow, capture synergies including relating to costs of capital, refinance debt, increased daily trading volume; future dropdowns and the success thereof; continued safe and reliable operations; integration and transition

plans, synergies, opportunities, anticipated future performance and financial position, and other factors.

Investors are cautioned that the following important factors, among others, may affect these forward-looking statements. These factors include but are not limited to: risks and uncertainties related to the expected timing and likelihood of completion of the proposed merger, including the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement, the risk that the parties may not be able to satisfy the conditions to the proposed transaction in a timely manner or at all, the risk that any announcements relating to the proposed transaction could have adverse effects on the market price of Delek US' common stock or Alon Partners' common units, the risk that the proposed transaction and its announcement could have an adverse effect on the ability of Delek US and Alon Partners to retain customers and retain and hire key personnel and maintain relationships with their suppliers and customers and on their operating results and businesses generally, the risk that the combined company may be unable to achieve cost-cutting synergies or it may take longer than expected to achieve those synergies, uncertainty related to timing and amount of future share repurchases and dividend payments, risks and uncertainties with respect to the quantities and costs of crude oil we are able to obtain and the price of the refined petroleum products we ultimately sell; gains and losses from derivative instruments; management's ability to execute its strategy of growth through acquisitions and the transactional risks associated with acquisitions and dispositions; acquired assets may suffer a diminishment in fair value as a result of which we may need to record a write-down or impairment in carrying value of the asset; changes in the scope, costs, and/or timing of capital and maintenance projects; operating hazards inherent in transporting, storing and processing crude oil and intermediate and finished petroleum products; our competitive position and the effects of competition; the projected growth of the industries in which we operate; general economic and business conditions affecting the southern United States; and other risks contained in Delek US' and Alon Partners' filings with the United States Securities and Exchange Commission.

Forward-looking statements should not be read as a guarantee of future performance or results and will not be accurate indications of the times at or by which such performance or results will be achieved. Forward-looking information is based on information available at the time and/or management's good faith belief with respect to future events, and is subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the statements. Delek US undertakes no obligation to update or revise any such forward-looking statements, except as required by applicable law or regulation.

No Offer or Solicitation

This communication relates to a proposed business combination between Delek US and Alon Partners. This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval. This announcement is for informational purposes only and is neither an offer to purchase, nor a solicitation of an offer to sell, any securities or the solicitation of any vote in any jurisdiction pursuant to the proposed transactions or otherwise, nor shall there be any sale, issuance or transfer of securities in any jurisdiction in contravention of applicable law.
