Arch Therapeutics Will Present at the 2015 Aegis Capital Growth Conference in Las Vegas, NV October 7-9th, 2015

FRAMINGHAM, MA -- (Marketwired) -- 10/07/15 -- Arch Therapeutics, Inc. (OTCQB: ARTH) ("**Arch**" or the "**Company**"), developer of the AC5 Surgical Hemostatic Device™ ("**AC5™**"), today announced it would be featured as a presenting company at the 2015 Aegis Capital Growth Conference, which will highlight healthcare, technology, telecom and aerospace-defense companies. The presentation will take place at 3:30 PM PDT on Thursday, October 8th at The Encore at Wynn in Las Vegas, NV.

Terrence W. Norchi, MD, CEO of Arch Therapeutics, will provide an update on the Company and be available to participate in meetings with investors who are registered to attend the conference.

If you are an institutional investor, and would like to attend the Company's presentation, please click on the following link (www.aegiscapcorp.com) to register for the Aegis conference. Once your registration is confirmed, you will be prompted to log into the conference website to request a one-on-one meeting with the Company.

About Arch Therapeutics, Inc.

Arch Therapeutics, Inc. is a medical device company developing a novel approach to stop bleeding (hemostasis) and control leaking (sealant) during surgery and trauma care. Arch is developing products based on an innovative self-assembling peptide technology platform to make surgery and interventional care faster and safer for patients. Arch's flagship development stage product candidate, known as the AC5 Surgical Hemostatic Device™, is being designed to achieve hemostasis in minimally invasive and open surgical procedures.

Notice Regarding Forward-Looking Statements

This news release contains "forward-looking statements" as that term is defined in Section 27(a) of the Securities Act of 1933, as amended, and Section 21(e) of the Securities Exchange Act of 1934, as amended. Statements in this press release that are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations or intentions regarding the future. Such forward-looking statements include, among other things, references to novel technologies and methods, our business and product development plans and projections, or market information. Actual results could differ from those projected in any forward-looking statements due to numerous factors. Such factors include, among others, the inherent uncertainties associated with developing new products or technologies and operating as a development stage company,

our ability to retain important members of our management team and attract other qualified personnel, our ability to raise the additional funding we will need to continue to pursue our business and product development plans, our ability to develop and commercialize products based on our technology platform, and market conditions. These forward-looking statements are made as of the date of this news release, and we assume no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements. Although we believe that any beliefs, plans, expectations and intentions contained in this press release are reasonable, there can be no assurance that any such beliefs, plans, expectations or intentions will prove to be accurate. Investors should consult all of the information set forth herein and should also refer to the risk factors disclosure outlined in the reports and other documents we file with the SEC, available at www.sec.gov.
