### **BLUEGREEN VACATIONS' ÉILAN HOTEL & SPA RECEIVES AAA FOUR DIAMOND RATING**

NOVEMBER 20, 2018– Bluegreen Vacations Corporation (NYSE: BXG) ("Bluegreen" or the "Company"), a leading vacation ownership company, is proud to announce the Éilan Hotel & Spa, a prestigious property it acquired earlier this year, has once again received a AAA Four Diamond Rating – a distinction awarded to only six percent of the nearly 30,000 hotels AAA inspects and approves each year. The Éilan Hotel & Spa first received the coveted Four Diamond Rating in 2012 and has continued its exceptional service and guest experience as a recipient this year under Bluegreen Vacations and as a member of the Ascend Hotel Collection portfolio. The [Ascend Hotel Collection](#) portfolio of best-in-class unique, boutique, and historic independent hotels and resorts is part of Choice Hotels, which has a longstanding strategic alliance with Bluegreen Vacations.

For more than 80 years, AAA sends a team of professional hotel and restaurant inspectors around the continent to conduct year-round, in-person property evaluations at more than 59,000 hotels and restaurants, scoring them based on the priorities of AAA's 58 million members around the world. As defined by AAA, hotels with a Four Diamond rating are "refined, stylish with upscale physical attributes, extensive amenities and a high degree of hospitality, service and attention to detail."

"As AAA's world-renowned rating system considers the preferences of its more than 50

million members, this recognition truly speaks to our commitment to our guests, who can expect the highest quality of service and experience while staying at one of our resorts,” said Ada Soriano-Grzywna, Senior Vice President, Resort Operations, Bluegreen Vacations. “We’re excited to continue the Éilan’s longstanding tradition of excellence, applying Bluegreen’s signature standard of hospitality and welcoming even more of our guests to the Éilan in 2019.”

“The Éilan Hotel & Spa offers guests an unforgettable stay with picturesque views and upscale amenities,” said Janis Cannon, Senior Vice President, Upscale Brands Portfolio at Choice Hotels. “The hotel is the perfect representation of the Ascend Hotel Collection as it offers rich, local character and one-of-a-kind, inspiring moments for travelers.”

Acquired by Bluegreen and joining the Ascend Hotel Collection in April of 2018, the Éilan is a 165-guest room, boutique hotel featuring Tuscan-inspired architecture and a variety of unrivaled amenities, which include a 10-treatment-room spa, resort-style pools, a state-of-the-art fitness center, tennis courts and virtual golf. Ideally located overlooking Texas Hill Country, the Éilan is also just a short drive from San Antonio’s renowned shopping, dining and entertainment options, such as the world-famous San Antonio River Walk.
