About Cardiff Lexington Corporation: Cardiff Lexington is a public holding company, much like a cooperative, leveraging proven management within private companies that become wholly subsidiaries. Our focus is not industry or geographic-specific, but rather proven management, market, and margin. Cardiff Lexington targets acquisitions of mature, high growth, niche companies. Cardiff Lexington's strategy identifies and empowers select income-producing middle market private businesses, and commercial real estate properties. Cardiff Lexington provides these companies both 1) the enhanced ability to raise money for operations or expansion, and 2) an equity exit and liquidity strategy for the owner, heirs, and/or Investors. For investors, Cardiff Lexington provides a diversified lower risk to protect and safely enhance their investment by over time continually adding assets and holdings. Cardiff Lexington is led by strong and talented team of executives and advisors providing expert acquisition, market guidance and added value for subsidiaries and investors.

FORWARD LOOKING STATEMENT: This news release contains forward looking statements within the meaning of the Securities Litigation Reform Act. The statements reflect the Company's current views with respect to future events that involve risks and uncertainties. These risks include the failure to meet schedule or performance requirements of the Company's contracts, the Company's liquidity position, the Company's ability to obtain new contracts, the emergence of competitors with greater financial resources, and the impact of competitive pricing. In the light of these uncertainties the forward-looking events referred to in this release might not occur.
