“MyDx One” App Rockets to Top of Apple’s iOS Charts

Industry’s Adoption of CannaDx Platform to Support Future Growth

LA JOLLA, Calif., Nov. 15, 2016 (GLOBE NEWSWIRE) -- [MyDx, Inc.](http://www.mydx.com) (OTCQB:MYDX), a rapidly growing science and technology company that has developed MyDx®, a multi-use handheld chemical analyzer and application, today announced that fueled by last week’s historic passage of state ballot initiatives in eight new states passing cannabis laws, the Company’s “MyDx One” smart-phone app for its Analyzer has catapulted to the top of the iOS App Store charts. As a direct result, the Company has already experienced an immediate increase in revenues.

MyDx Ranked #1 Medical App in Apple App Store

MyDx One App Tops the Apple iOS Charts

MyDx One is a free app, downloadable with or without owning a multi-use MyDx Analyzer. Even without owning the Analyzer, MyDx One provides users free valuable information to help them find and track cannabis strains and their effectiveness in treating various ailments or producing desired experiences.

As of yesterday, MyDx One was listed as the number one-ranked free app in iOS App Store under the Medical Category (Note: iPhone users, please click on App Store, Top Charts, select Medical Category, Free to view rankings).

As of yesterday, MyDx One was the top trending app in the App Store Search for the keyword "cannabis".

As of Saturday November 12, 2016, of all the free apps in the iOS App Store, MyDx One was ranked #54, ahead of Google Drive at #55 and just behind [Pokémon GO](#) at #53.

"Our ability to achieve the number one ranking in the Apple Store's medical category is a clear reflection of the industry's increasing acceptance of our platform and its unique ability to help consumers identify a strain that meets their needs," said Daniel Yazbeck, Chairman and Chief Executive Officer of MyDx. As a result, we are continuing to grow one of the industry's largest crowdsourced databases with invaluable information that could have only been gathered through the grass roots effort implemented by the CannaDx team since its launch close to one year ago."

About MyDx, Inc.

MyDx, Inc. (OTCQB:MYDX) is a chemical detection and sensor technology company based in San Diego, California whose mission is to help people Trust & Verify[®] what they put into their minds and bodies. The Company developed MyDx[®], a patented, affordable portable analyzer that provides real-time chemical analysis and fits in the palm of the user's hand. The multi-use MyDx analyzer leverages over a decade of established chemical detection technology to measure chemicals of interest. The Company owns a substantial and growing intellectual property portfolio of patents covering its technology. The MyDx CannaDx[™], AquaDx[™] and OrganaDx[™] sensors are now commercialized, and the AeroDx[™] application is next in line. All Sensors will be compatible with a MyDx App that empowers consumers to test the chemical composition of what they eat, drink and inhale. For more information, please visit www.cdxmlife.com.
