Command Security Corporation Notified of the U. S. Postal Services Reaffirmation to Award \$250M Contract

HERNDON, Va., Nov. 23, 2015 (GLOBE NEWSWIRE) -- [Command Security Corporation](#) (NYSE MKT:MOC) announced today the notification by the U. S. Postal Service (the "USPS") of its decision to confirm the award of the USPS contract under Solicitation No. 2B-14-A-0078 (the "USPS Contract") valued at approximately \$250 million over a ten year term of service. The USPS and [Command Security Corporation](#) (the "Company") will begin to develop the transition process for the Company to formally assume the responsibilities under the USPS Contract.

The Company initially received notification on December 31, 2014 of the award of the USPS Contract, which provides for security services at 50 USPS locations in 18 states, Puerto Rico and the District of Columbia, valued at approximately \$20 million per year, as well as the operation of the two USPS National Law Enforcement Communication Centers (NLECC) at Dulles International Airport, Virginia and in Ft. Worth, Texas, valued at approximately \$5 million per year. The award includes a four year base contract and three two-year options.

On January 29, 2015, the Company announced that the USPS had issued a stay of the transition of the USPS Contract awarded to the Company pending the resolution of a dispute over the award of such contract. On January 27, 2015, the Company was notified by the USPS that ABM Security Services ("ABM") had lodged a protest with the USPS seeking to overturn the contract that was awarded to the Company.

In a decision dated June 15, 2015, the USPS Supplier Disagreement Resolution Officer found that the USPS Contract awarded to the Company represented the best value for the USPS. Accordingly, the Supplier Disagreement Resolution Officer denied the disagreement filed by ABM, and lifted the stay on the performance of the USPS Contract with the Company.

On June 17, 2015, the Company was notified by the United States Department of Justice that ABM had expressed intent to file a protest with the Court of Federal Claims challenging the award of the USPS Contract to the Company, and seeking an injunction to stop the transition of the USPS Contract to the Company. On June 23, 2015, ABM filed a protest with the Court of Federal Claims challenging the award of the USPS Contract to the Company, and the USPS expressed an intent to stay the transition of the USPS Contract awarded the Company pending resolution of the Court of Federal Claims protest filed by ABM. The Court of Federal Claims dismissed the protest filed by ABM on July 7, 2015 to allow for the USPS to take corrective action.

"We have waited a long time for this affirmation and hope there will be no further delays or roadblocks imposed to disrupt this important work. Again, we are extremely gratified and energized to learn of the U. S. Postal Service decision which recognizes the best value proposition our team will provide," said Craig P. Coy, Chief Executive Officer.
