CES Synergies Receives Change Order for Additional Work at Naval Air Station, Total Project Revenue Expected to Reach \$1.2 Million

CRYSTAL SPRINGS, Florida, October 7, 2015 /PRNewswire/ --

CES Synergies, Inc. (OTC:CESX) ("CES" or the "Company"), a full service environmental, asbestos abatement and demolition company, announced today that its subsidiary, Cross Environmental Services, Inc., recently received a change order on its Contract, in which CES undertook to demolish three World War II era hangars. With the increased scope of work, together with the salvage value of the recycled materials, CES expects its revenue to approach \$1.2 million on this project.

John Tostanoski, CEO of CES Synergies stated, "Having successfully undertaken the initial scope of work, CES appreciates the opportunity to expand its services by providing the additional work needed by the contractor on this project. CES expects that upon review of the project as a whole, including the scrap value we have recovered with the initial recycling activities, this will be another successful project for the owner, contractor and CES."

About CES:

CES Synergies, Inc., through its subsidiary, Cross Environmental Services, Inc., is a specialty environmental services company providing quality environmental contracting solutions, demolition and remediation services to commercial and industrial customers, as well as federal, state and municipal entities.
