CES Synergies' Subsidiary Cross Environmental Services, Inc. Awarded Contract for Remediation and Demolition of a Fire-Damaged Commercial Structure

CRYSTAL SPRINGS, FL -- (Marketwired) -- 02/17/16 -- CES Synergies (OTC PINK: CESX) announces that its subsidiary Cross Environmental Services, Inc. (CES), has received an award of a contract and has begun to provide remediation and demolition services to a commercial building which sustained fire damage to its premises in Tampa, Florida. The commercial structure and attendant damage is approximately 16,000 square feet and requires the total removal of the fire-damaged building as regulated material pursuant to EPA regulations.

John Tostanoski, CEO of CESX, commented, "In these situations, CES looks to provide its environmental and demolition expertise to our clients, with an eye to providing quick, but quality, service to minimize our client's economic loss."

About CES:

CES Synergies, Inc. (OTC PINK: CESX) , through its subsidiary, Cross Environmental Services, Inc. (CES), is a specialty environmental services company providing quality environmental contracting solutions, demolition and remediation services to commercial and industrial customers, as well as federal, state and municipal entities.
