Crown Crafts Reports Results for Fiscal 2017 Fourth Quarter and Full Year

- Gross profit percentage improves for quarter and full year
- Net income as a percentage of sales also improves despite challenging market conditions
- Cash balance up from prior year end
- Company remains financially strong

GONZALES, La., June 14, 2017 (GLOBE NEWSWIRE) -- Crown Crafts, Inc. (NASDAQ:CRWS) (the "Company") today reported results for the fiscal 2017 fourth quarter and full year ended April 2, 2017.

"In fiscal 2017, our net income and gross profit remained solid, net income increased to 8.4% of net sales compared with 8.1% for the prior year, and our cash balance increased from a year ago, as we continued to manage our business through a period of difficult market conditions and a soft retail environment," said E. Randall Chestnut, Chairman, President and Chief Executive Officer. "While we are not satisfied with the declines in sales and net income, which were affected by previously reported factors, including the credit difficulties of a major customer and a fiscal 2016 Black Friday event that was not repeated in fiscal 2017, we remain very positive about the Company's long-term prospects, due to our consistent market leadership and strong financial position."

Financial Results

Net income for the fourth quarter of fiscal 2017 was \$1.6 million, or \$0.16 per diluted share, on net sales of \$17.3 million, compared with net income of \$2.2 million, or \$0.22 per diluted share, on net sales of \$25.1 million for the fourth quarter of fiscal 2016. Gross profit for the quarter was 29.9% of net sales, compared with 28.2% for the prior-year period.

Gross profit for fiscal 2017 was 29.4% of net sales, compared with 28.2% for the prior-year period.
