Global Blockchain to Host AMA on Reddit on September 13, 2018

VANCOUVER, British Columbia, Sept. 11, 2018 (GLOBE NEWSWIRE) -- **GLOBAL BLOCKCHAIN TECHNOLOGIES CORP. (CSE: BLOC, BLOC.CN, BLOC.CNX) (FSE: BWSP) (OTC: BLKCF) ("BLOC" or the "Company")** is pleased to announce that it will be hosting an AMA (Ask Me Anything) on Reddit on Thursday, September 13th, 2018 from 12:00 PM to 5:00 PM EDT.

The AMA comes on the heels of several recent announcements which include:

- the Company's initiation of the Laser network equity crowdsale through its Cayman Island based subsidiary Laser Technologies Corp.;
- Hyperion Crypto Exchange Inc.'s investment into the Delaware Board of Trade ("DBOT"), which will enable BLOC to leverage DBOT's SEC-registered Alternative Trading System ("ATS") for trading tokenized securities; and
- the Company's spinout of its mining division, Global Blockchain Mining Corp. and the subsequent listing of its common shares on the Canadian Securities Exchange (CSE) under the ticker symbol "FORK" on July 18, 2018.

The Company plans to discuss overall blockchain investment opportunities, the future of digital assets and decentralized technologies as well as provide clarity to its current investment strategies and partnerships. The Company will also be answering questions with regards to Global Blockchain Mining Corp. and our subsidiaries. If you would like to participate in the AMA, please log into your Reddit account to submit your blockchain related questions on September 13th in the AMA subreddit, at the following location: <https://goo.gl/gkmZBa>

About Global Blockchain Technologies Corp.

The Company provides investors access to a basket of direct and indirect holdings within the blockchain space.

The Company is focused on streamlining the currently arduous, lengthy, and complicated

process that interested investors must undergo to gain exposure to the blockchain space, with a view to becoming the first vertically-integrated originator and manager of top tier blockchains. BLOC is listed on the Canadian Securities Exchange ("CSE") and its common shares trade under the ticker symbol "BLOC."

BLOC is listed on the Canadian Securities Exchange ("CSE") and its common shares trade under the ticker symbol "BLOC." Additional information relating to BLOC is available on SEDAR at www.sedar.com, the CSE at www.theCSE.com, as well as on the Company's website at www.globalblockchain.io.

Cautionary Note Regarding Forward-Looking Information

This news release contains "forward-looking information" within the meaning of applicable securities laws. Generally, any statements that are not historical facts may contain forward-looking information, and forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or indicates that certain actions, events or results "may", "could", "would", "might" or "will be" taken, "occur" or "be achieved". Forward-looking information includes, but is not limited to the Company's goal of streamlining the current arduous, lengthy and complicated process that interested investors need to undergo in order to gain exposure to the cryptocurrency space with a view to becoming the first vertically integrated originator and manager of top-tier blockchains and digital currencies. The Company has no assets and its business plan is purely conceptual in nature and there is no assurance that it will be implemented as set out herein, or at all. Forward-looking information is based on certain factors and assumptions the Company believes to be reasonable at the time such statements are made, including but not limited to: statements and expectations regarding the ability of the Company to (i) successfully engage senior management with appropriate industry experience and expertise, (ii) gain access to and acquire a basket of cryptocurrency assets and pre-ICO and ICO financings on favourable terms or at all, (iii) successfully create its own tokens and ICO's, and (iv) execute on future M&A opportunities in the cryptocurrency space; receipt of required regulatory approvals; the availability of necessary financing; permitting and such other assumptions and factors as set out herein. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking information, including but not limited to: risks related to changes in cryptocurrency prices; the estimation of personnel and operating costs; general global markets and economic conditions; risks associated with uninsurable risks; risks associated with currency fluctuations; competition faced in securing experienced personnel with appropriate industry experience and expertise; risks associated with changes in the financial auditing and corporate governance standards applicable to cryptocurrencies and ICO's; risks related to potential conflicts of interest; the reliance on key personnel; financing, capitalization and liquidity risks including the risk that the financing necessary to fund continued development of the Company's business plan may not be available on satisfactory terms, or at all; the risk of potential dilution through the issuance of additional common shares of the Company; the risk of litigation. Although the Company has

attempted to identify important factors that could cause actual results to differ materially from the forward-looking information set out in this presentation, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. Forward-looking statements are made based on management's beliefs, estimates and opinions on the date that statements are made and the Company undertakes no obligation to update forward-looking statements if these beliefs, estimates and opinions or other circumstances should change, except as required by laws. Investors are cautioned against attributing undue certainty to forward-looking statements.

Neither the CSE nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.
