# InfuSystem Announces Scott Shuda Elected Chairman of the Board of Directors

MADISON HEIGHTS, Mich., Dec. 19, 2018 (GLOBE NEWSWIRE) -- InfuSystem Holdings, Inc. (NYSE American: INFU), a leading national provider of infusion pumps and related services for the healthcare industry in the United States and Canada, announced today the Board of Directors has elected Scott Shuda as Chairman of the Board of Directors, effective December 13, 2018. Mr. Shuda, a member of the InfuSystem Board since September 2015, succeeds Gregg O. Lehman, PhD., who has served as Chairman since May 2015 and will continue to serve on InfuSystem's Board as Vice-Chairman.

"I am honored to be elected Chairman and look forward to serving InfuSystem in that capacity," said Mr. Shuda. "I believe we all owe Gregg our thanks for helping to lead the company through the series of tumultuous events that arose during his tenure. InfuSystem, and all of those around the company, have been very fortunate to have access to his experience and wisdom. Fortunately, Dr. Lehman will continue on the board, and we will continue working very closely with management as we complete a transition of the company to a more focused and execution-driven value-creation strategy."

Richard Dilorio, president and chief executive officer, added "All of us at InfuSystem, as well as our shareholders, recognize and appreciate Dr. Lehman's significant contributions, in particular when Gregg stepped up to lead the Office of the President in 2017. I would personally like to thank Gregg for his support and mentorship. Scott Shuda is an excellent choice to succeed Gregg as chairman of the board of directors. He and I have a very good working relationship and are closely aligned with respect to the company's current priorities and long-term potential."

"I have enjoyed my time as chairman, particularly assisting the board and executive team to strengthen our core business and deliver shareholder value," said Dr. Lehman.

"InfuSystem has a great team of employees dedicated to supplying medical providers and patients with the highest quality of care. I look forward to continuing to support this team, my fellow board members, and the interests of the company's shareholders."

Scott Shuda, 53, is managing director of Meridian OHC Partners, LP, which invests in small public companies primarily in the health care and information technology sectors. In such capacity, he frequently serves as a member of the boards of directors of portfolio companies. Prior to co-founding Meridian, Mr. Shuda co-founded BlueLine Partners, which similarly focused on small public company investments. Previously, Mr. Shuda was an executive officer of publicly-traded Vicinity Corporation, and prior to that worked as a

transactions-related attorney in New York City and Silicon Valley. Mr. Shuda received joint JD/MBA degrees from Georgetown University, where he also conducted his undergraduate studies.
