About Intellipharma

Intellipharma International Inc. is a pharmaceutical company specializing in the

research, development and manufacture of novel and generic controlled-release and targeted-release oral solid dosage drugs. The Company's patented Hypermatrix™ technology is a multidimensional controlled-release drug delivery platform that can be applied to a wide range of existing and new pharmaceuticals. Intellipharma has developed several drug delivery systems based on this technology platform, with a pipeline of products (some of which have received United States Food and Drug Administration ("FDA") approval) in various stages of development. The Company has Abbreviated New Drug Application ("ANDA") and New Drug Application ("NDA") 505(b)(2) drug product candidates in its development pipeline. These include the Oxycodone ER abuse deterrent oxycodone formulation based on its proprietary nPODDDS™ novel Point Of Divergence Drug Delivery System (for which an NDA has been filed with the FDA), and Regabatin™ XR (pregabalin extended-release capsules).
