Limbach Eastern PA makes Strategic Hire - Brian Cohn, General Service Manager

WARRINGTON, PA - Eastern PA branch has expanded its Service team with the addition of Brian Cohn as the branch's General Service Manager. Cohn, who joined the Eastern PA branch on October 1, 2018, was hand-selected for the role because of his extensive areas of expertise and experience.

"We're very excited to have Brian on board," said Limbach Vice President and Branch Manager Andy Wiegand. "His technical acumen and management experience serve to further elevate the branch's service division."

Cohn brings 10+ years of industry experience with him to Limbach, including a significant portfolio of sales strategy and management as well as expertise in controls and large tonnage chillers. Cohn has spent a considerable portion of his professional career with Johnson Controls as a regional Branch Service Manager and Strategic Sales Manager. Cohn started his career as an HVAC Technician but has served in a myriad of roles throughout his career including Service Manager and Account Executive with ABM Engineering Services. With Cohn's technical acumen, sales and operations background, he is the perfect fit for Limbach in Eastern PA.

"Limbach is recognized as one of the premier organizations in the industry," said Cohn. "I look forward to building upon that legacy as we continue to improve and grow the organization."
