The \$10.00 purchase price per share in the tender offer represents a premium of approximately 20.9% to the NYSE closing price per share on January 11, 2019.

Stockholders will receive the purchase price in cash, subject to applicable withholding and without interest, subject to the conditions of the tender offer, including the provisions relating to proration and conditional tenders in the event that the number of shares properly tendered and not properly withdrawn exceeds 5,000,000. These provisions are described in the Offer to Purchase and in the Letter of Transmittal relating to the tender offer that will be distributed to stockholders and filed with the Securities and Exchange Commission (the "SEC").

The tender offer will not be conditioned upon any minimum number of shares being tendered; however, the tender offer will be subject to a number of other terms and conditions specified in the Offer to Purchase. The tender offer and withdrawal rights will expire at 5:00 p.m., New York City time, on Tuesday, February 12, 2019, unless extended or terminated. Tenders of shares must be made prior to the expiration of the tender offer and may be withdrawn at any time prior to the expiration of the tender offer. Stockholders wishing to tender their shares but who are unable to deliver them physically or by book-entry transfer prior to the expiration of the tender offer, or who are unable to make delivery of all required documents to the depositary prior to the expiration of the tender offer, may tender their shares by complying with the procedures set forth in the Offer to Purchase for tendering by notice of guaranteed delivery. D.F. King & Co., Inc. is serving as information agent for the tender offer. BofA Merrill Lynch is acting as dealer manager. American Stock Transfer & Trust Company, LLC is acting as the depositary for the tender offer.

The Company's Board of Directors has authorized the tender offer. However, none of the Company, the Company's Board of Directors, the dealer manager, the information agent or the depositary makes any recommendation to stockholders as to whether to tender or refrain from tendering their shares. No person is authorized to make any such recommendation. Stockholders must make their own decision as to whether to tender their shares and, if so, how many shares to tender. In doing so, stockholders should read carefully the information in, or incorporated by reference in, the Offer to Purchase and in the Letter of Transmittal (as they may be amended or supplemented), including the purposes and effects of the offer. Stockholders are urged to discuss their decisions with their own tax advisors, financial advisors and/or brokers.
