MV Portfolios Engages Oxbridge Financial for Financial Advisory Services

JACKSONVILLE, FL -- (Marketwired) -- 01/27/15 -- MV Portfolios, Inc. (OTCQB: MVPI) ('MVP' or the 'Company'), a Jacksonville based intellectual property investment, development and licensing company, today announced that it has engaged Oxbridge Financial Group LLC for financial advisory services.

William Meadow, President and Founder of MVP, stated, "Oxbridge has a well established reputation with deep understanding of the value of intellectual property. We have engaged Frederick Gorsetman and his team to advise us in seeking the proper financing that will allow us to continue to enforce our existing intellectual property portfolio. Additionally, the Oxbridge team has a network of financial and legal experts who actively invest in intellectual property which we will look to leverage. We remain confident in our pending litigation against Google for online mapping and street level imaging and look forward to continuing to fulfill our legal obligations. Partnering with Oxbridge will allow MVP to facilitate the next stage of the Company's development and add value for our shareholders."

Frederick Gorsetman, a Managing Member of Oxbridge, commented, "We are pleased to begin working with Billy and his team on financing strategies going forward. We have conducted considerable due diligence and believe in the vision of the Company and underlying value of the intellectual property."

About Oxbridge Financial LLC:

Oxbridge is a financial advisory firm focused on general corporate finance services, international trade financing solutions, and short term bridge and mezzanine finance for select technology firms amongst other industries. The Oxbridge team has extensive experience in identifying and working with optimal sources of debt and equity financing to promote the strategic interests of its clients. Oxbridge has a comprehensive understanding of the lending parameters and investment criteria of each of the institutions with which it deals. Based on these relationships, Oxbridge is able to advise its clients on the optimal capital sources relevant to their specific transaction and then prepare the required information in the appropriate format.
