NetSol Technologies Announces Participation in Equipment Leasing & Finance Association Annual Convention

CALABASAS, Calif., Oct. 17, 2016 (GLOBE NEWSWIRE) -- NetSol Technologies, Inc. (Nasdaq:NTWK), a global business services and enterprise application solutions provider to the Asset Finance and Leasing industry, today announced its participation in the 55th annual Equipment Leasing & Finance Association (ELFA) Convention to be held in Palm Desert, CA from October 23 through 25, 2016. The ELFA Convention is the U.S. equipment finance industry's premier annual event, and NetSol Technologies will be sponsoring this year's opening reception.

NetSol welcomes all participants of the ELFA Annual Convention to visit the Company at Booth #37/38 where a team of Company executives will showcase NetSol's product offerings, including its flagship NFS AscentTM platform.

Jeffrey Bilbrey, President NetSol Technologies Americas, commented, "We are proud to be a member of ELFA, which is the most influential and prestigious professional organization in the \$1 trillion U.S. equipment finance industry. We look forward to showcasing NetSol's best-in-class products and service offerings at the annual convention."

The Equipment Leasing and Finance Association is the trade association representing financial services companies and manufacturers in the \$1 trillion U.S. equipment leasing and finance sector. ELFA exists to provide member companies a forum for industry development; a platform to promote and to advocate for the industry; and a resource that maintains and develops information about, and for, the industry.

About NetSol Technologies

NetSol Technologies, Inc. (Nasdaq:NTWK) is a worldwide provider of IT and enterprise software solutions primarily serving the global leasing and financing industry. The Company's suite of applications are backed by 40 years of domain expertise and supported by a committed team of 1,500+ professionals placed in eight strategically located support and delivery centers throughout the world. NFSTM, LeasePakTM, LeaseSoft or NFS AscentTM – help companies transform their Finance and Leasing operations, providing a fully automated asset-based finance solution covering the complete leasing and finance lifecycle.
