## **NETSOL Technologies to deploy its cutting edge mobile origination and approval systems for PT. Mizuho Balimor Finance, Indonesia**

CALABASAS, Calif., March 15, 2017 (GLOBE NEWSWIRE) -- NetSol Technologies, Inc. (Nasdaq:NTWK), a leading global provider of enterprise application solutions and business services to the finance and leasing industry, has signed an agreement for its mobile origination (point of sale) system with PT. Mizuho Balimor Finance (MBF) in Indonesia. NETSOL has been announced as MBF's preferred vendor in the region. The contract includes product license, a five year maintenance agreement and agreed customizations rates for both applications.

PT Mizuho Balimor Finance (MBF) is one of Indonesia's foremost multi-finance companies, especially excelling in the auto financing domain.

The application being deployed will be used by field teams (salesman/dealers) to initiate credit applications and provide a quick approval & turnaround to customers seeking finance and lease products from MBF. The mobile application will subsequently enable processing of more applications in lesser time.

*"Our solution will increase operational efficiencies for PT. Mizuho Balimor Finance and bring concrete results in terms of costs and reduced contract conversion times. Mizuho Balimor is a pioneering company which turned towards the latest, next-generation technologies for future growth and progression. We are glad to work with them and implement our ground-breaking solution," said Najeeb Ghauri, Founder, Chairman & Chief Executive Officer, NETSOL Technologies. "We look forward to further creating business value for them and fostering this relationship in the coming years."*

mPOS (Mobile Point of Sale) is a complete origination and conversion solution which handles all related tasks, including menu selling, quick credit origination, deals and promotions, customer engagement and dynamic reporting enabling field teams to request, capture, check, validate customer information and communicate all relevant information with back office to assist in converting a contract application.
