QPAGOS and SIEMBRA Expand Deployment of Self Service Kiosks

MEXICO CITY, MEXICO, June 26, 2018 (GLOBE NEWSWIRE) -- **QPAGOS** (QPAG: OTCQB), a U.S. based provider of self-service electronic payment solutions, today announced an additional order of 4 Self-Service Kiosks by Sociedad Integral Emprendedora Siembra, SAPI de CV SOFOM ENR (**SIEMBRA**).

SIEMBRA, created in December 2011 by a team of professionals with long experiences in microfinance, designs and delivers financial products that are unique to the needs of Mexican microentrepreneurs; for example, "Credisiembra", group loans which are exclusive for women entrepreneurs.

Juan Carlos Duarte, a SIEMBRA board member, said: "Our slogan has and will be to provide competitive and personalized services in the communities we serve. Deploying QPAGOS kiosks is symbolic of our quest for technological innovations that will benefit our customers. At the kiosks, our customers are not only able to pay their loan amortizations, but they are also able to make service payments, such as mobile top ups, utilities and municipal payments, subscription fees, and many more, providing our customers a secure and reliable location where to make these payments."

"We are very honored to have been chosen by SIEMBRA to be a key partner of their expanding branch network, and soon each of their 7 branches will have QPAGOS kiosks. We look forward supporting SIEMBRA's growth as they expand nationally," said Gaston Pereira, President and CEO of QPAGOS. "Juan Carlos and his team are an excellent example of business leaders that are making a difference by providing innovative financial services for small entrepreneurs."
