QuickLogic to Participate in Upcoming Investor Conferences

Sunnyvale, Calif., Aug. 20, 2018 (GLOBE NEWSWIRE) -- QuickLogic Corporation (NASDAQ: QUIK), a developer of ultra-low power multi-core voice enabled SoCs, embedded FPGA (eFPGA) IP, display bridge and programmable logic solutions, announced that management is scheduled to attend the following investor conferences in August and September.

- Jefferies 2018 Semiconductor, Hardware and Communications Infrastructure Summit being held at the Ritz-Carlton Chicago. Management will conduct one-on-one meetings on August 28th throughout the day. To schedule a meeting, please contact your Jefferies representative, or LHA Investor Relations at ir@quicklogic.com.
- ROTH Internet of Things Corporate Access Day taking place at the Ritz-Carlton San Francisco. Management will conduct one-on-one meetings on September 5th throughout the day. To schedule a meeting, please contact your ROTH representative, or LHA Investor Relations at ir@quicklogic.com.
- 7th Annual Gateway Conference being held at the Four Seasons Hotel in San Francisco. Management is scheduled to present on September 6th at 1:30 p.m. and will be available for one-on-one meetings throughout the day. The presentation will be webcast live and available on the company's website at www.quicklogic.com. In addition, a replay will be available for a period of 90 days thereafter.

About QuickLogic

QuickLogic Corporation (NASDAQ: QUIK) enables OEMs to maximize battery life for highly differentiated, immersive user experiences with Smartphone, Wearable, Hearable and IoT devices. QuickLogic delivers these benefits through industry leading ultra-low power customer programmable SoC semiconductor solutions, embedded software, and algorithm solutions for always-on voice and sensor processing. The company's embedded FPGA initiative also enables SoC designers to easily implement post production changes, and increase revenue by providing hardware programmability to their end customers.
